RE: Capital Rape Indictments

Dear Mr. Picou:

Enclosed is a listing of all persons charged under Louisiana Revised Statute 14:42 dating from August 15, 1995 through the present date.

As I indicated during our phone conversation, the district attorney just charged the defendants with 14:42 on the indictments, no subsections were specified. I viewed several of the indictments to verify this.

Further, I indicated in our conversation that we had to have our computer programmer write a specific program because we did not currently have the capability to retrieve the information you were requesting. I have enclosed an invoice for the fees payable to the Ascension Clerk of Court.

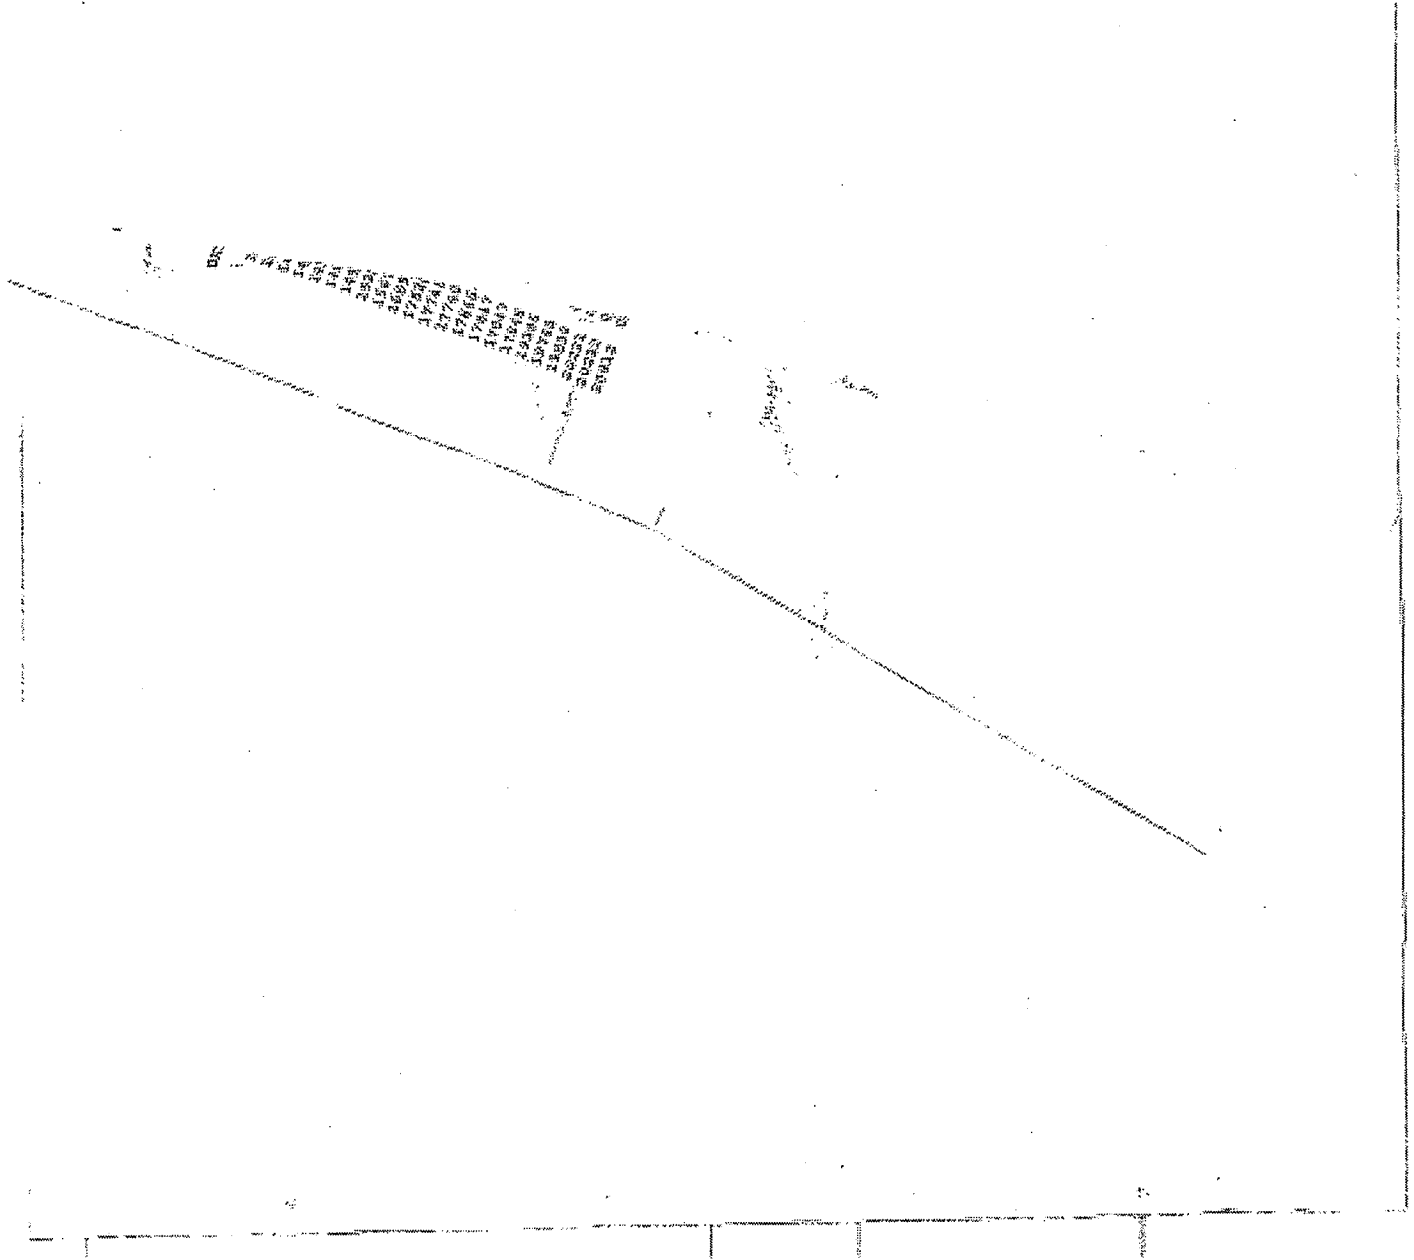

If I can be of further assistance, please contact me.

Sincerely,

Chandra S. Batisle,
Deputy Clerk of Court
